

Dear Parents

The school is going to start its new session from April 1, 2022. The mission of the school is to impart quality education at the doorstep of parents in the rural area. With this noble idea in mind and kind support and co-operation of the parents, the school has been doing an excellent job in the field of education for many years. We assure you that the future of our students will be safe and bright in every sphere. Here is the schedule of all the academic and other extra co-curricular activities to be organized by the school during the new session ahead. The school calendar and list of holidays is also given for your convenience.
